

WORKING SKILLS CENTRE
AUDITED FINANCIAL STATEMENTS
MARCH 31, 2014

INDEPENDENT AUDITOR'S REPORT

To the Members of
Working Skills Centre

I have audited the accompanying financial statement of Working Skills Centre, which comprise the statement of financial position as at March 31, 2014, the statement of operations and net assets, and the statement of cash flows for the year then ended, and a summary of significant Canadian accounting standards applicable to not-for-profit organizations and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards for not-for-profit organizations. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Qualified Opinion

Due to the inherent nature of the transactions of the organization, the completeness of donations and fundraising revenue is not susceptible of satisfactory audit verification. Accordingly, my verification of these amounts was limited to the amounts recorded in the organization's accounting records and I was not able to determine whether any adjustments might be necessary to the donations and fundraising revenue.

Qualified Opinion

In my opinion, except for the possible effects of the matter described in the basis for qualified opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Working Skills Centre, as at March 31, 2014, and the results of its operations for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Emphasis of Matter

I draw your attention to Note 15 of the financial statements which describes the conditions under which Working Skills Centre will be able to continue as a going concern, meaning its ability to continue to operate for the foreseeable future and be able to realize its assets and discharge its liabilities in the normal course of operations. As disclosed in Note 15, the Centre's continuance is dependent upon its ability to secure government funding and produce self-generated revenue and attaining positive results in its operations. If the going concern concept is not appropriate for these financial statements, adjustments might be necessary for the carrying values of assets and liabilities.

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2014

PURPOSE OF ORGANIZATION:

WSC is an innovative, community-based, non-profit, charitable organization that empowers immigrants, primarily women. Its purpose is to prepare its clients to fully participate in Canadian society by providing education, work experience and settlements services that ultimately lead to employment. WSC is a registered charity under the Income Tax Act of Canada. The registration number is 108221946 RR0001.

1. SIGNIFICANT ACCOUNTING POLICIES:

a) Revenue Recognition

WSC follows the deferral method of accounting for contributions. Deferred contributions are recognized as revenue in the year in which the related expenses are incurred. Revenue from government and foundation contributions is recorded when revenue is earned. Revenue from sales, services and material resource recovery is recorded as revenue on the accrual basis i.e. when earned. Capital contributions and the capital assets acquired from such grants are amortized over their respective useful lives. Fundraising, donations and other income are recorded as revenue when received.

Donations-in-kind are recognized as revenue at their fair market value where such is discernable.

WSC Skills Training and Social Enterprise programs are recorded as revenue when earned.

b) Capital Assets and Amortization

Capital assets are recorded at cost. Amortization is provided as follows:

Computer Equipment	20% - declining balance basis
Telephone System	20% - declining balance basis
Furniture and Equipment	20% - declining balance basis
Leasehold Improvements	Amortized over 120 months

Equipment related to program costs is expensed in the year of acquisition.

c) Contribution to Administration

Some programs contribute a percentage of revenue to administration to defray infrastructure costs.

1. SIGNIFICANT ACCOUNTING POLICIES: (Continued)

d) Financial Instruments

WSC's financial instruments consist of cash, accounts receivable, short-term investments, bank advances and accounts payable. Financial instruments are initially recorded at historical cost. If subsequent circumstances indicate that a decline in the fair market value of a financial asset is other than temporary, the financial instrument is written down to its fair market value. Unless otherwise indicated, it is management's opinion that WSC is not exposed to significant interest, currency or credit risks arising from these financial statements. The fair market value of these instruments approximate recorded amounts because of the short period to receipt or payment of cash.

2. CAPITAL ASSETS:

7. CAPITAL MANAGEMENT AND ECONOMIC DEPENDENCE:

WSC includes cash, accounts receivable, grants receivable, accounts payable, deferred revenue, and net assets in its capital management consideration. WSC's objectives when managing capital are to safeguard its ability to continue as a going concern and continue to execute its mandate.

WSC monitors these items to assess its ability to fulfil its ongoing financial obligations. WSC relies primarily on grants and training programs to fund its operations and makes adjustments to its budgeted expenditures in light of changes. WSC is not subject to externally imposed capital requirements.

8. USE OF ESTIMATES:

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

9. BANK ADVANCES:

WSC has a \$100,000 line of credit facility which bears interest at the Royal Bank of Canada prime rate plus 1.9%. At March 31, 2014, WSC had a balance of \$60,000 outstanding on the facility at an annual interest rate of 4.9%.

10. CONTRIBUTED SERVICES:

Because of the difficulty of determining the fair value of services provided by volunteers, contributed services by volunteers are not recognized in these financial statements.

WORKING SKILLS CENTRE

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2014

11. LEASE COMMITMENT:

WSC's net annual minimum lease payment to the expiry of the lease, March 31, 2015, is as follows:

2015	\$ 51,670
------	-----------

12. DONATIONS-IN-KIND:

WSC is in receipt of donations-in-kind as follows:

	<u>2014</u>	<u>2013</u>
Legal Services	\$ 25,000	\$ 25,000
Equipment	-	2,150

	<u>\$ 38,425</u>	<u>\$ 27,150</u>

13. FINANCIAL INSTRUMENTS - RISK MANAGEMENT:

a) Interest Rate Risk

Interest rate risk is the risk of potential financial loss caused by fluctuations in their fair value of future cash flow of financial instruments due to changes in market interest rates.

b) Credit Risk

Credit risk is the potential for financial loss should a counter-party in a transaction fail to meet its obligations.

c) Currency Risk

Currency risk is the risk of potential change in price of one currency against another currency.

The WSC's financial instruments consist of cash, accounts receivable, accounts payable and accrued charges. Unless otherwise noted, it is management's opinion that the organization is not exposed to significant credit or currency risks. WSC is exposed to interest rate risk due to its line of credit. The fair value of these financial instruments approximates their carrying values.

WORKING SKILLS CENTRE

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2014

14. PRACTICE FIRM PROGRAM TERMINATION:

On January 30, 2012 WSC received notification from the Ministry of Training, Colleges and Universities (MTCU), Employment Ontario (EO), that funding for the project, World Service Cargo, a Practice Firm, would cease effective July 31, 2012. In order to provide WSC with six months' notice, MTCU offered WSC only a four (4) month agreement during fiscal year 2013. This agreement commenced on April 1, 2012 and terminated on July 31, 2012.

Consequently, WSC's Practice Firm ceased operations on July 31, 2012. The 2013 fiscal results only include four months' operations of this specific program.

15. GOING CONCERN:

These financial statements have been prepared on the assumption that WSC is a going concern, meaning it will continue to operate for the foreseeable future and will be able to realize its assets and discharge its liabilities in the normal course of operations. There is doubt as to the appropriateness of this assumption given WSC's current deficit. WSC's ability to continue as a going concern is dependent on its ability to obtain additional financing to meet its current working capital needs and attain profitable operations generating sufficient funds there from to meet current and future obligations.

The organization has adopted a deficit elimination plan for fiscal 2015 year.

16. COMPARATIVE FIGURES:

Certain figures of the year 2013 have been reclassified to conform to that of the current year's presentation.
